# BUSINESS PROGRAMS INTERNATIONAL

Doing business internationally doesn't have to be difficult!

- International Representation
- Professional Advancement
- Business Development

# BUSINESS PROGRAMS INTERNATIONAL

- In accordance with the ever-growing pace of globalization, Business Programs International (BPI) is dedicated to increasing efficiency in international business travel. In cooperation with the Eurasian American Chamber of Commerce, BPI programs are designed to address the specific needs of international delegations traveling for commercial, political and cultural purposes.
- In cooperation with EurasAm, BPI conducts international trade missions, university exchanges and corporate professional advancement programs between CIS countries and the USA.

# BUSINESS PROGRAMS INTERNATIONAL

- Our programs are mission oriented, coordinated, international delegations, aimed at promoting commercial, political and cultural ties amongst institutions seeking a global presence.
- Programs are designed to fulfill the mission set forth by the delegates and to improve upon the experiences and international contacts of each delegation member.

# BUSINESS PROGRAMS INTERNATIONAL

Programs are conducted in the following spheres:

- Agriculture
- Athletics
- Aviation
- Finance
- Fuel & Energy
- High-tech
- IT
- Music
- Retail
- Shipping & Ports
- Space

# BUSINESS PROGRAMS INTERNATIONAL

- All programs consist of a business and tourist portion as well as personal leisure time
- Program lengths vary from ten to twenty days
- The business portion of the program is result-oriented, it constitutes 70% of the visit and requires preliminary preparation on the part of the delegates.

# BUSINESS PROGRAMS INTERNATIONAL

- Delegates are encouraged to further international cooperation after the completion of the program based on the contacts attained during the course of their visit.
- Continued assistance in furthering ties with newly formed business partners is rendered by EurasAm representatives after the completion of the program.
